

The George Yeomans Appeal

WE ARE DESPERATELY IN NEED OF YOUR HELP!

On 23rd April 1998, our only child, George Yeomans was born at Chase Farm Hospital, Enfield. In June 2005 we were devastated when he was diagnosed with Neuroblastoma (a rare form of childhood cancer) at just 7 years old.

During the last 18 months, George has bravely undergone almost continuous rigorous treatment at Great Ormond Street Hospital, resulting in his final test results in December 2006 being clear, to our great joy. However, just 4 months later, our world has been torn apart again as sadly, the cancer has returned.

There is no treatment for recurrent Neuroblastoma in the UK, leaving us with no option but to seek treatment in the USA that is estimated to cost hundreds of thousands of pounds. We need to raise these funds in order for us to continue with this life-saving treatment over here at the Memorial Sloane Kettering Cancer Centre in New York.

This is the reason for us, George's parents, to write this letter in the hope that you, your friends, family and colleagues could kindly make a donation towards these costs, to help us give our beautiful, brave little boy a chance of survival. It is our only hope at this stage. George has been through SO much in the past 18 months and we dearly hope that you can help in some way. ANYTHING that you can do to help would be greatly appreciated.

You can find details of George's story and make an online donation on the appeal website: www.georgeyeomansappeal.org
